FIRST SATURDAY ARTIST AGREEMENT

Thank you for giving us the opportunity to share your artwork at Buddhamouse. So that we may operate efficiently, we ask that you comply with the following policies:

Artwork – Artist authorizes Buddhamouse Emporium to sell all, or any portion of the artwork hung in the gallery unless specified as “Not for Sale”. The Space provided is 1 wall in the Back Room that is 10’ x 5’.

Condition – Artwork should be brought in ready for hanging. Buddhamouse is responsible for providing a clean wall on which to hang. Artist is not responsible for wall preparation when taking down the show, but should provide their own hardware such as nails and wire, etc. Artwork should be unloaded through the back room of Buddhamouse in the designated parking area.

Terms – The First Saturday Reception is a Pop-up show. The artist can utilize tables in addition to the wall to display art. The art on the wall can stay displayed for the month, but the other “pop-up” pieces must be taken down at the end of the reception. Reception hours are officially 6 pm – 8 pm, but if the show is ready, the artist can begin the reception earlier. The cost of renting the back room is \$50. The Artist determines the price of the artwork. During the reception, the artist receives 100% of the art sales less 3% re: credit card purchases. After that, the artist will receive 70% of the **selling price** less 3% re: credit card purchases. In order for a piece to be “sold”, the purchaser must pay for the artwork in advance with the knowledge that the piece can be picked up after the show. Exceptions can be made based on the artist’s preference. The hang date and time is the date of the First Saturday and can begin at 3 pm. **Please coordinate with Buddhamouse to ensure the art is taken down in time for the next show.**

Promotion and Advertising – The artist is responsible for creating any flyers or promotional material to be presented during the show. Buddhamouse will add the show to the Calendar, on Facebook, Meetup, and the Claremont Artwalk Committee. **At the First Saturday Art Reception, the artist should bring in refreshments and snacks to host the Reception. Buddhamouse will provide napkins, plates, cups and utensils.**

When the payment and the following information is provided, the date will be booked in the calendar of events.
